drawing on content from yearbooks published by prominent colleges in virginia this book explores changes in race relations that have occurred at universities in the united states since the late 19th century it juxtaposes the content published in predominantly white university yearbooks to that published by howard university a historically black college the study is a work of visual sociology with photographs line drawings and historical prints that provide a visual account of the institutional racism that existed at these colleges over time it employs bonilla silva s concept of structural racism to shed light on how race ordered all aspects of

social life on campuses from the period of post civil war reconstruction to the present it examines the lives of the black men and women who worked at these schools and the racial attitudes of the white men and women who attended them as such racism on campus will appeal to scholars of sociology history and anthropology with interests in race racism and visual methods
